

REVA INDUSTRIES INDIA PVT. LTD.

Formerly known as REVA INDUSTRIES LIMITED

More than 5 decades of precision and perfection

About Us

Since 1963 in business..

REVA INDUSTRIES INDIA PVT. LTD.

“ Where experience meets technology to deliver quality ”

Established in 1963, **REVA** manufactures technically superior and reliable EOT Cranes, Electric Wire Rope Hoist, Special Purpose Overhead handling system used in small scale and heavy manufacturing Industries.

REVA stands for “Shining Star” and is also another name for Goddess Durga. In Sanskrit, it means “swift” and “one that

moves”. **REVA** believes to Name & Fame. Innovation is at its core.

REVA is a Brand Name in Crane industry with numerous endorsements to its fortune. We are approved supplier to NTPC, BHEL, NPC, NHPC, Indian Railways, MECON, SAIL, EIL, PGCIL, L&T, Doosan, TATA Projects, Hindalco, Adani Power, Reliance Group.

WHY REVA?

Experience

We have a more than five **decades of experience** of Precision and Perfection with 3000+ Clients

Process

We are **fully process driven** with internationally recognized certifications like **ISO 9001:2015**

Innovation

We develop **Innovative, out of the box solutions** that enhance productivity & reduce costs. We have 10 recognitions and awards

Team

We have one of the best **trained and highly motivated team strength** of more than 250 +

Training

With our **award winning training**, we regularly train your people through workshops for best use of your machines through **REVA engagement programs**

AN ISO 9001-2015 COMPANY

WHY BUSINESSES CHOOSE TO WORK WITH REVA ?

Future Ready

We like to stay ahead of the curve with state of the art CNC Machines and design software's like Staad-Pro, Pro-engineer, MathCad, EPlan and Kisssoft.

Reliability Before Price

We believe quality pays for itself and make products designed to last a lifetime. Some of our clients are still using hoists manufactured in the 1980s.

Rising to Challenges

We, as a team, love challenges and welcome them to make products that exceed client expectations.

**More than 5
decades of
precision
and
perfection**

Quality Assurance

For any manufactured equipment, quality plays a very important role. Instruments and systems are vital for checking & maintaining quality. REVA from day one has emphasised on the quality of the product.

Speedy Delivery

Need Urgent Delivery?
We can ship a Hoist to your place in as less as 7 days.

Client Satisfaction Guaranteed

Repeat customer is our strength - more than 250 cranes delivered to Indian railways, more than 1400 hoists delivered to BHEL alone.

Our Approach

Our name carries weight

Client First

We believe to be partners with our clients for the long term and create value through the journey of the relationship.

100% in-house

Unlike other crane manufactures we have 100% in-house state of the art manufacturing facilities.

Quality

We think out of the box and find precise and innovative products to make material handling execution more easier than ever before for your Production Shops, Projects and Warehouse.

On Time Delivery

We fit into expectations of customers who do not appreciate cutting corners in quality or accept delays in execution

Our Products

A thing well done is a reward in itself...

Electric
Overhead
Traveling
(EOT) Cranes
up to 250 tonnes load
capacity and span up
to 50 M

Electric Wire
Rope Hoists
0.25T to 45T with up
to 115 M lift in various
speed-load
combinations for
straight or curved
path

Gantry /
Goliath Cranes
upto 200 T capacity.

Single Girder
Cranes
up to 25 T ,
Span 25 M

JIB
Cranes
1 T to 10 T

Our Products

Self and efficient material handling equipment...

Low
Headroom
Cranes
1 T to 25 T

Double
Girder
Cranes
1 T to 250 T

Low
Headroom
Hoists

Flame
Proof
Hoists

Stacker
Cranes

Our Products

Customization, space saving, high uptime and safe handling...
